"I would like to say a big 'thank you' to you all at the Albert Hall. The venue is beautiful and the food was wonderful, but the biggest praise must go to all the staff. Nothing was too much trouble and everyone was so helpful"

The Great Hall - Afternoon Tea

“On the whole the venue was fantastic - from the quality of the food and canapés to the actual layout which allowed delegates to move from room to room easily. However, I think the most vital factor in the smooth running of both our events were the staff: happy to help and quick to respond.”

The Albert Hall is strategically located in the heart of the vibrant business city of Nottingham. The location is ideally suited being central in the UK and easily accessed via the M1 and A1, Main Line Train Services and East Midlands Airport.

Completed in 1907 in a Baroque revival style by Architect AE Lambert, much of the building is in its original condition with modern interior refurbishments in harmony with the heritage of the hall.

Our beautiful venue is arranged over three floors, the ground floor comprises of the main entrance and Great Hall Foyer which links perfectly to both our main suites. This area serves as an excellent location for the registration of guests, exhibition space and for the service of light refreshments.

Our main ground floor suite is the Osborne Suite. This room is a large contemporary space offering five adjacent Syndicate Rooms, adaptable moveable walls, and easy access to the light and airy Osborne Lounge, for larger events this floor is often used for exhibition space and for the service of our excellent catering options.

The first floor is home to the Albert Hall Conference Centres main suite, the historic grand and ornate Great Hall. The hall is defined by its sweeping galleries, epic arches and sculptured columns. The beauty of the Great Hall is not merely aesthetic; it functions perfectly with a minimum level of equipment and benefits from wonderful natural lighting. For a different visual impact the hall can be fully blacked out and fitted with elaborate sets and lighting equipment.

With views over the Great Hall is the Balmoral Gallery, this suite is excellent for VIP receptions, small meetings, breakout space for larger events or for use as a press office. The second floor sites the City Suite, a contemporary penthouse conference suite suitable for meetings and breakout space, with excellent views over the City of Nottingham.

Concerts & Events

The Albert Hall has been Nottingham's traditional venue of choice for successfully hosting Concerts, Public Performances, Political Rallies, Prize Giving's, and Graduation Ceremonies since opening in 1907.

The venue's grand ornate architecture was designed at the turn of the 20th century in the style of an Edwardian music hall. The Great Hall is a medium size concert hall with a capacity of 750 seats stage facing and serves as an excellent auditorium for public performances of many genres. The Hall is renowned for generating a terrific atmosphere, giving a real sense for audiences of being absorbed in the performance.

Highlights include a large modular staging system, 1.5 tonne hanging points for flying lighting rigs and AV equipment, adaptable arena seating layouts and natural daylight or full blackout facilities. The acoustics of the hall are fantastic and particularly enhance orchestral, choral, and light acoustic performances.

One of the main features of the Great Hall is the world famous Binns organ, which has been fully restored to its former glory and provides a unique backdrop to the Hall's aesthetics. We also have a beautiful Steinway concert grand (model c) available, which always provides that extra acoustic sparkle to any performance.

Should you wish to host a VIP reception for your performance sponsors we have a number of private suites available, including the Balmoral Gallery which overlooks the Great Hall. We also offer excellent wine and catering packages, all cooked and prepared in house from fresh and where possible, locally sourced produce.

Our professional team of concert staff are available to assist with checking tickets and seating your audience, guests also have bar drinks, coffee, and confectionary available to purchase before during and after the performance.

We also provide changing facilities, and areas for the display of your performance posters and flyers. Should you wish to display and sell your organisation's merchandise we also offer space for this on your event day.

Because of this we can guarantee consistent high standards, unique in this type of venue, and our reputation speaks for itself.

We have an excellent choice of menus and a superb selection of wines from our wine list. High quality tableware, glassware, linen and napery, fresh flowers, seating plans, place cards and menus are included with all our seated receptions. We also provide a large private bar and can often offer exclusive use of the venue.

Most receptions are hosted in the Osborne Suite of which we can cater for up to 160 for a sit down meal, 220 for a seated buffet or 400 for a standing buffet . The room is very versatile, allowing for parties as low as 40 to be seated and still maintain a warm and intimate atmosphere. For your entertainment the Osborne Suite is fitted with a large parquet dance floor, a large space for a Band or Disco and we can provide a low level stage if required.
